The goal of the newsletter, since no member can be involved in every activity, is to inform our membership of our club activities. Please send info to the newsletter editor when you are involved with something representing our club.

Our members have been busy serving our communities during the months of March and April!

Our winner for **April rent relief** is none other than Cindy Leonard. Congratulations! Cindy.

As you can see, Nancy Brown's husband drew the name. Thank you everyone for your donations to help

with our storage fees. We collected \$53. **March rent relief** the winner was Nancy Brown, Nancy Clark was our gifter and she donated a Marshall's Gift card and two GFWC Tea towels. Thank-you Nancy. A total of \$41 was collected.

Membership Chairman Joyce Clark inducted a **new member** Linda Brosseau

from Norton. Make a point to introduce yourself and make her feel welcome. This month **Cindy Brogan** came up with an idea to start plants for the

spring and donate them to the Boys & Girls Club.

During the meeting everyone was involved in making 22 planter bags. Cindy

Brogan and Robin Gendron delivered the flower growing packets to the Boys/Girls Club. **Nancy Brown** WHRC Chairman

had a creative idea where she sold a bag of puzzle pieces for \$2 each until they were all sold and raised \$40 from the sale of the puzzle pieces which will be sent to GFWC headquarters in

Washington DC. When complete it will be sealed and framed. The names of everyone who contributed will be listed on the back and we will present it to GFWC MA

Junior Membership Director Katie Robey for our GFWC Headquarters in Sudbury. This was a fun project and hopefully kept us focused on the important contributions made by women throughout history, especially since it pictures twenty of those influential women. Our club picture will be added to the back of the puzzle. During the March meeting members help put the puzzle together, several members remained after the end of the meeting to finish the puzzle. Our club voted to make a **Ukrainian donation** of \$50 to Save the Children, it was a unanimous vote. Sarah Brink our treasurer will send the donation. **By-Law changes** were discussed and presented by Emily Weiland Chairman of the By-Laws committee to be voted on in April. The biggest discussion was about the club name change. All the By-Law changes were accepted at the April meeting, but the club name change was voted down by a written vote. Emily Weiland collected over the last two months cans of tuna and packages of pancake mixes and syrup for our club donation to the **Food Pantry**. **The Raynham Historical Society** presented 'Women of '76' on Saturday April 2, at 2:00 p.m. at American Legion Hall in Raynham. Admission was free so several club members made it a club outing for WHRC organized by WHRC Chairman Nancy Brown. The program consisted of meeting five women who witnessed and in some cases, changed the course of the American Revolution. Club members who

attended received a free gift. Nancy Brown made a report on the outing at the April meeting. Tuesday March 22, 2022 Robin Gendron, Joyce Clark, Nancy Brown, Emily Weiland, and Nancy Clark donated their time at the **Prison Book** Program in Quincy

for two and a half hours picking and packaging books. The club also donated a wagon full of books. We have been supporting this program as a club for many years with books and time. Member **Ana Kearnan** dropped off **care bags** for Morton to Julie Masci, which she will post on the Morton site. These were made with contributions by club members. Thank-you everyone for your donations. April 12th our club had a fundraiser a **Soup Sampler** chaired

by Joyce Clark and Diane Huling. The cost was \$12 per person. Those in attendance were able to sample from 10 soups, several kinds of sandwiches and desserts, including seconds. Containers of soups and packages of two sandwiches were sold at the end of the event. There was a raffle consisting of 10 baskets

and 3 gift cards. It took place at the West congregational church on Winthrop street from noon to 2:00pm. We totaled over \$1000 at this event, \$679 on the soup sampler and \$382 on the raffle.

It well was planned and a wonderful afternoon had by all in attendance. Sunday April 10th the **Scholarship Committee** met at Education Chairman Nancy Martin's house to read and score the 18 applications our club received. The top seven applicants will receive a \$500 scholarship. The names will be announced at the June Social, followed by a meet and greet sometime this summer to meet and talk with the recipients. The committee will be organizing the event, more to come in the next

newsletter. The committee will also meet to discuss any changes needed to our club scholarship application. If any member has suggestions or would like to join the committee contact Nancy Martin. On April 18th at 10:00AM at St Nicholas of Myra Hall the **Authors Tea Committee** met to assemble tea gift bags. Keeping with the theme of April being **Autism Month** the Program for the April Meeting featured member Ana Kearnan, a mother of a autistic child. She spoke from the heart about how bringing up a child with autism has its challenges. People with autism perceive the world differently but her goal has been to allow her son to be himself as much as possible. Her son is now 26 years old. Anna belongs to group called CAR which has a fundraiser walk on April 30th. The club voted to donate a basket or two to the fundraiser along with a \$100 donation. During the same meeting Vice President Emily

Weiland created a “**Getting to Know Each Other**” Bingo card game. The goal was to let members get to know one another better since several new members have joined our club over the last few months A few members visited Honorary member **Thelma McCaffrey** who just turned 97 in Maine. They said she was in good spirits. There was a special event for outgoing GFWC Massachusetts President **Donna Shibley**. Several of our members representing our club attended the event. The combined **Annual Convention** was April 29th-30th in Natick Massachusetts. Several members attended the event. Our clubs won some awards. I will let our president Robin Gendron share the news with you at the May Business Meeting and will report on the awards in the next newsletter. We did very well with our **Saver’s Fundraiser**. Thanks to Robin Gendron, her family

and Denise Wheeler for running this fundraiser. We were able to raise \$463.20.
